A lot of mistakes

By Southern Cook

There are numerous mistakes in this book. Some recipes have no ingredient list so you have no idea how much of each ingredient to use. Some recipes have incomplete directions. The beginning of a few recipes are

missing. The Red Eye Gravy recipe has no list of ingredients and the directions are also incomplete. At least one recipe has ingredients listed that are never used in the directions. I would not recommend this book to anyone that would like to make the recipe.

Still a Tasty Delight!

By Rosalie Mietzel

I bought this a few years ago, and still enjoy pulling it out not only for the recipes but to read the pages about the TV show and its characters. Aunt Bea's pickles, or one of Barney's favorite dishes -it's just fun to read and use!
