**Barbie Her Life And Times By BillyBoy** When creating can alter your life, when composing can enhance you by providing much cash, why do not you try it? Are you still extremely confused of where getting the ideas? Do you still have no concept with what you are going to write? Now, you will certainly require reading Barbie Her Life And Times By BillyBoy A good author is a great visitor at the same time. You could specify exactly how you write depending on exactly what publications to review. This Barbie Her Life And Times By BillyBoy could help you to address the issue. It can be one of the appropriate resources to establish your composing ability.

From Publishers Weekly

Jewelry and fashion designer BillyBoy,\* whose Barbie collection totals 11,000 dolls with original outfits by the likes of Yves Saint Laurent, demonstrates how the plastic toy reflects the changes of the last quarter of a decade in American standards of feminine beauty, fashion, social values, and political and cultural trends. Barbie, the embodiment of the American dream, was launched in 1959, and early products included lingerie, which combined high-fashion styling and romantic innocence, a baby-blue taffeta pillbox hat, reminiscent of Jacqueline Kennedy, a wedding gown, cookbook and dream house. Over the next two decades, Barbie would go from astronaut to aerobics aficionado and graduate from nurse to physician. She and her many friends would spawn black, Hispanic and Oriental versions. Replete with color illustrations and references to Barbie magazines, novels and board games, this rich reservoir of "Barbiemanía" will spirit many delighted readers down memory lane. However, some feminists will be piqued: BillyBoy\* insists that Barbie was recently "used as a scapegoat" by a clinical psychologist who claimed many women suffer mentally and physically while trying to achieve a "Barbie-like figure."

Informative

By Suzie Foley

Not the best book on the subject, but informative and educational and entertaining none the less. Could have used better editing.

0 of 0 people found the following review helpful.

Great Pics!!!

By JustIMHO

Not an exhaustive reference volume but a fascinating look at what happens to Barbie when international

fashion designers get their hands on her! Love the pictures and the various takes by the different designers. A fun addition to your Barbie collection.

To buy or NOT to buy?

By Christine Turner

I bought this book for 99 cents and it is worth every penny. Pictures are okay but it's not at all informative.
