Well Worth Buying

By Kathleen J. Mccroy

I too have been following this author on Facebook and the beauty and majesty of his prose and equality is amazing. I am posting this review before I receive the book as I have been following it on facebook. It touches my soul and gives me comfort with the peaceful visual pictures and of course the words are well put together and flows just like a gentle stream with the soothing words that bathe you in peace. I don't often buy books of poems, I have been published in the past, but there is just something about the way this book has come together that it's one for the bookshelves so that when friends and family visit and get snoopy..they have something darn good to snoop into. The author is a creative person and it tells a good story from the authors heart, which is what a good poem or book or movie should do. It's a winner and I look forward to more from this author.Please look at this work and consider adding it to your collection or just to start one. Peace to all

Fantastic book that touches the heart

By Trish Buijck

I love this book. You will love it too. I promise. His words in many poems hit home for me, and brought tears to my eyes, and yet gave me comfort. I am still recovering from my husbands death and his words bring memories to my heart. Buy it, u won't be sorry.

By Brenda Carver

I have been reading Jon's poetry on FB. It is touching and seems as if it written from the soul. It always touches me when I reach each of his poems. I am happy that John's book is finally out.
