Bruce The Kickin' Chicken Goes To Hollywood!

This is the second book in a series about a young boy, Tommie, and his very special chicken; Bruce - who is a karate expert and sensei. Bruce gets noticed by a famous Hollywood actor, who wants to put him in a movie. Tommie and his family head off to Hollywood with Bruce, but not everything goes according to plan. Bruce ends up in grave danger, and Tommie has to use his wits to save his friend.

A wonderful read for me and my son.

By Nicol

What I appreciate most about this book is that it has a moral lesson that I stress out to my son while I was reading this. And I think, the message got across him. I especially love this children's book about Bruce because it has shown what a kid is supposed to do given a particular situation, which I won't spill of course. This has been a wonderful read for me and my son.

Good short reads for kids!

By Missy G.

At first I was like who are the Mill's? who is Tommie? who is Lauren? Wow! Is this really a children's book? I was absolutely confused, but as I read through the story, everything made sense. This is absolutely an adorable read for kids. I found it funny enough to keep my children entertained. I actually read the story first before allowing my kids to read it, and for this book My 8 years old liked it. I like the idea of having a chicken as the star this book values friendship and compassion. Approved!

Nice

By Sandara

I initially grabbed this book for my kids to read for them on bedtime or for themselves to read. As it turns out I find myself hooked to the simplicity and funny adventures of Tommie and Bruce. I had the impression that this was a short children's book that was meant to be read by smaller kids by the way the cover was

designed. The story was a bit long for small kids but is good enough for read aloud story time. It can also appeal to older kids who like reading small texts.
