It will not make you have bad habit, however it will lead you to have far better behavior to read book **Creative Materials And Activities For The Early Childhood Curriculum, Enhanced Pearson EText -- Access Card By Joan Packer Isenberg, Jenn**.

From the Back Cover

**Creative Materials and Resources for the Early Childhood Curriculum**, available both in print and as a Pearson eText, is an exciting new addition to the field, providing an abundance of arts-based teaching and learning strategies that keep children's bodies and minds fully engaged in learning by using the arts to help children solve problems, work together as a community, meet national and state standards, and maintain active interest in their own learning.

With arts-infused content-area chapters, differentiated strategies across age and grade levels, technology suggestions, inspiring photos and over 400 activities, this book is designed to be of practical and immediate use. By providing user-friendly ways teachers can meet the needs of children with exceptionalities, English language learners, and the wide range of student ability and readiness for learning, it embraces all the different needs that face today's teachers. Furthermore, it shows how you can create equitable access to opportunities to quality arts education in your classroom, and how you can ensure quality in your curriculum.

The Pearson eText version of this book delivers the same content as the print version along with relevant videos that pop up when clicked on, and formative assessments, **Check Your Understanding**, to keep students engaged and assessing their own learning throughout the chapter.

From the case studies to hands-on children's materials and activities, from children's literature lists to lesson plans and planning integrated units, this is one theory-based, developmentally appropriate and highly

practical resource that you will want to make a part of your professional library as you plan for, teach, and assess the whole child for years to come.

#### About the Author

Joan Packer Isenberg is Professor Emerita of Education at George Mason University, where she also served as associate dean in the College of Education and Human Development from 2003-2011 and as the founding director of the Advanced Studies in Teaching and Learning (ASTL) program from 1999-2003. She is past president of the National Association of Early Childhood Teacher Educators and was the 2006 recipient of the Early Childhood Teacher Educator of the Year Award from NAECTE/Allyn & Bacon. Isenberg also served as the first visiting scholar for the National Board for Professional Teaching Standards (NBPTS) from 2002-2003. For most of her academic career she has studied and written about early childhood curriculum, play, and arts integration, particularly as they affect children's learning and development. She has taught children from preschool through grade four in both public and private settings. Among her numerous authored or co-authored publications are *Creative Thinking and Arts-Based Learning* (6th edition 2014), *Exploring Your Role in Early Childhood Education* (4th edition, 2012), *The Master's Degree in Education as Teacher Professional Development* (2012, Rowman & Littlefield), and *Major Trends and Issues in Early Childhood Education*, (2nd edition, 2003). She currently is doctoral affiliate faculty with the Union Institute and University.

Jennifer L. Durham is a certified K-12 special education teacher. She is currently the Curriculum and Technology Coordinator at the Lab School of Washington. Dr. Durham is also a professor at American University in the School of Education, Teaching, and Health and a supervisor of student teachers. Her work at American University focuses both on formal and informal assessment and the preparation of special education teachers to be able to use multi-sensory, project-based, arts-integrated learning in their teaching practices. She received her bachelor's degree from Austin College in Sherman, TX; her master's degree from American University in Washington, DC, and her Ph. D. in special education and arts integration from George Mason University in Fairfax, VA. Dr. Durham has been a public school teacher, an owner of her own private educational consulting company, and has completed over 120 hours of professional development in arts integration through the John F. Kennedy Center for the Performing Arts. With Professor Isenberg, Dr. Durham completed a four-year study of the effects of an arts integration program on school culture in selected schools in the Washington D.C. area. She has presented at several conferences on the Power of the Arts in everyday learning.

the best price and fastest delivery I could find

By Mia

I shopped around for this book everywhere! Amazon was, by far, the best price and fastest delivery I could find. The book itself is great. It really brings the importance of the arts, creativity, and imagination into perspective.
