Fantastic book!

By Mary F. McClure

If you feel unsure about your business writing, pick up a copy of this book. It is easy to read and find the information you are looking for. It has a bit of humor in it. If you work with someone who cannot tell an Oxford comma from a comet, then accidentally leave this in their cubicle. I had a thorough English teacher in high school, so the book is full of review for me. However, it is a required textbook for my graduate writing class.
