It is your birthright to live a life filled with erotic joy. This book will show you how to make it so, and how to teach others, through touch. You will learn about sexual healing, erotic energy cultivation, and sensual and erotic massage. Caffyn Jesse gives stroke-by-stroke instructions for pleasuring penises and vulvas. Chapters on orgasm coaching will vastly expand your orgasmic capacities. Her toolbox includes techniques ranging from scar tissue healing to spanking. Original illustrations show the specifics of pelvic, genital and anal anatomy. Powerful practices guide you in awakening the full potential of your sexuality. Erotic massage provides an ideal environment for healing and learning about sex. But without appropriate safeguards and clear boundaries, erotic massage can retraumatize already wounded people. Caffyn Jesse offers vital guidance on the ethics of practice.

Full service guide on Erotic and Sensual massage

By Cherished

Amazing! Step by step guide on proper erotic massage techniques. The part I appreciate the most is the authors take on the importance of hygiene and cleanliness. Many other books I've read on sensual and erotic massage never mention how germs can be passed through cuts, scratches and abrasions. Everything should be cleaned before and after each client (bottles, stones, feathers, etc). Especially when giving someone an erotic or sensual massage its important to protect yourself from the spread of germs, bacteria and viruses on the skin or where bodily fluid may be release. The author also talks about anatomy, the joy of toys and even light BDSM in a way very understandable at any knowledge level. I can go on and on about this book. It is

one I well appreciate and recommend to experienced and non-experienced massage enthusiasts.

is voluminous while she also takes great care to attend to

By Christiane C Pelmas

Caffyn Jesse is one of the most profoundly gifted and learned Somatic Sex Educators of our time. Her vast terrain of knowledge from human physiology/anatomy to neurology, is voluminous while she also takes great care to attend to, invite and help cultivate the soulful and spiritual experiences of her clients. This book is not only a marvelous volume for those in the field of somatic sex education and hands-on erotic and educational practice but it's also a phenomenal resource for traditional body workers, traditional talk therapists and individuals and couples looking to increase their erotic intelligence and hands-on practices.

I recommend this book highly and am profoundly grateful for Caffyn Jesse's rigorous, compassionate and relentlessly ethical practice as a somatic sex educator and teacher.

Excellent Resource

By Amazon Customer

A great resource not only for professionals but also for couples and those who have a desire to learn how to touch for healing and pleasure.
