GHOSTWRITER BY TYAN WYSS PDF

There's no such thing as ghosts, right? But after the spirit of Ethan Samuels hovers over Micah Chasen's bed and demands that the 11-year old investigate his suspicious death, Micah embarks upon the strangest adventure of his life! As Ethan's ghostwriter, Micah and his new friend, the nerdy Savannah Bishop, hope to solve what appears to have been his ghostly friend's murder over 100 years ago. Will Micah be able to discover the truth behind Ethan's death and allow the spirit to finally rest in peace? And, even more importantly, can Micah help his own family deal with their horrible grief surrounding the death of his older sister? This ghostly historical mystery set in the rugged San Jacinto Mountains of Southern California is suitable for ages 9 and up.

Wonderful From Page One to the End

By Rachel Barnard

Micah is not afraid of ghosts, in fact, they don't faze him at all. When the Chasens move into a haunted house in the San Jacinto Mountains in Southern California, the ghost of the house's former occupant appears to Mica and asks for his help. The ghost is Ethan Samuels, who died approximately 100 years ago in the very house Micah lives in, in present day 2013, and the 11-year old precocious Micah is compelled to help the ghost. Acting as a 'ghostwriter' Micah simultaneously writes up a social studies report for school and documents the details surrounding Ethan's death. In his quest to help his only ghostly friend, Micah becomes involved in current town affairs and will attempt to get to the bottom of what really happened all those years ago.

Tyan Wyss is a writer who doesn't leave any checks unmarked in the lengthy list of novel requirements. Her story is robust. The characters are well-written and vibrant, coming alive through the story. Her descriptions

are just enough to give the reader the complete picture while still leaving some parts to the imagination. The pacing is perfect. And then the ending... Wyss has a way with the climax of the story and with giving a well-rounded ending. This book in particular was so heartfelt and connected with me emotionally that I got a bit teary eyed. I was so caught up in the story that I felt the emotions coming through the story.

Ghostwriter reminds me of Holes, in that it seamlessly intertwines two stories into one novel, the story of how Ethan died and the story of how Micah helps Ethan discover his past and move forward with his death. Not all authors can work two stories together well, but Wyss is phenomenal with this aspect of the story. She would probably be a great mystery writer because she is able to mingle the stories in such a way that pieces start to fall into place, grabbing and hooking the reader with each new part of the puzzle. She also delivers a killer ending that makes sense according to the previous elements while still being not completely predictable.

Wyss also touches upon subjects like moving to a new town, being bullied, being alone, making friends, grieving for lost loved ones, and other situations that affect young teens in an expert manner that is so subtle it just blends right into the story without intruding into the main action, but rounds out the novel.

I was too involved in the story to take many notes of my reactions to elements of the story or highlight favorite passages, it was just too good to put down, even for a moment.

This story would appeal to the underdogs, those who like a well-written historical fiction mashup like Holes by Louis Sachar, or a mesmerizing YA book about a precocious boy and a ghost.

Entertaining for all ages...

By Donn

"Ghostwriter" by Tyan Wyss is a fanciful tale about Micah Chasen, an 11-year-old boy, and his quest to fill in the missing pieces of Ethan Samuels' life story. Ethan is a ghost with haunting questions about how he reached ghost status. Over 100 years ago, while still a young man, Ethan tumbled down a flight of stairs in the Chasen residence, breaking his neck, and his spirit has been captive in the home ever since. Unafraid of Ethan's ghost, Micah befriends him and takes on the challenge of helping uncover the mystery surrounding his death, documenting the story for a social studies project.

The tale bounces back and forth between the present and 1909, a time when Ethan was working as a young hired hand at a lodge which is now the Chasens' home. Ethan becomes captivated by Petané, a young Indian girl also working at the lodge. Ethan meets his untimely death shortly after proposing. Adding to the intrigue, Ethan had recently discovered a vein of gold in the nearby mountains and was looking forward to sharing his life and soon-to-be fortune with Petané.

Savanah Bishop (Vanna), a classmate of Micah's, joins him to assist in researching Ethan's past. It helps that Vanna is the great-granddaughter of Petané. The two sixth graders dig through family memorabilia and local history books as they begin to piece together Ethan's past. The relationship of the young students parallels that of Ethan and Petané, facing bullies, prejudice, and uncertainty.

The tale is written for young readers, with the dialogue, situations, and topics primarily targeting pre-teens, but I found the characters and storyline entertaining and applicable to a much broader audience. Frequently, the story required my complete attention to ensure I absorbed the significance of the author's messages. The author has an artful imagination. Elements of whimsy, mystery, romance, and drama are sprinkled throughout the story and masterfully brought together in an unpredictable conclusion. And isn't that what

readers want, both young and old?

Couldn't put it down

By Craig Furchtenicht

Once in a blue moon a book comes around that truly takes me out of the comfort zone that makes up my regular choice of reading material and makes me so glad that I read it. Ghostwriter is one of those gems. It is the perfect blend of paranormal, western, period piece and love story.

It is the kind of story that you give to the young adult in your life and can rest assured they are reading a quality book that will make reading such a rewarding experience. The characters are well constructed and highly thought out. I loved how Ethan struggles to makes sense of the modern world he was existing in while Micah assumed the role of the more sensible of the strange pairing. The dynamic between a young boy and a ghost that haunts his home could have gone so many ways. Taryn Wyss chose the right approach and made me fall in love with them both.

Great book all around.
