OpTic Gaming, the four-time Call of Duty Major League Gaming Champions and one of the top eSports teams in the world, now takes fans behind the controller—into the game and the minds of the greatest gamers in the world—in this fascinating and unique memoir and insider guide.

Emerging on the scene in 2006, OpTic Gaming has dominated the Call of Duty e-sports arena, thanks to the talents of legendary players such as Matt “NaDeSHoT” Haag, the biggest eSports personality on earth; Seth “Scump” Abner, the best Call of Duty player in the world; Midnite, one of the first girl gamers to rise to stardom on YouTube; and Hector “H3CZ” Rodriguez, the team founder and CEO. With over 14 million followers across social platforms like Twitter, Facebook and YouTube, no other team of players in eSports can match OpTic's popularity or ability to bring fans into the game.

Now, these remarkable players have collaborated to produce this one-of-a-kind book. In OpTic Gaming, they candidly share their story of becoming Call of Duty's global royalty—ESPN XGAMES, MLG, ESWC and GFINITY champions—laying bare their lives, exploring what it takes to make it in professional gaming, and speaking honestly about the consequences of their newfound fame. These best-of-the-best take you behind the controller, offering insights, knowledge, and strategies to help you improve your shot, master the most complex maps, and conquer the game with the ultimate weapons. Going beyond their number-one game, the team also discusses the rest of their lineups and how to become a champion in any arena. Revealing their go-to strategies, best missions, and favorite challenges, OpTic Gaming brings fans closer to these wildly popular professional gamers more than ever before.

Once you start reading, you can't stop.

I bought this book with every intention of reading it on my flight next week. Mistakenly, I figured, I'd read a little of the first chapter. Two hours later, I'm halfway done with entire book. It's well written and engaging. Must read if you're GREENWALL.

Welcome to the GreenWall!

Being a fan of OpTic Gaming for many years, it is really awesome to finally see their biggest members share their stories. Whether you are into video games or not, this book is a great read simply because it is not just about video games but it's also about their personal lives and how they have been changed by competitive gaming. I have learned a lot about these authors that I had never known before. While many might not think a book about eSports and video games would be interesting, there are a lot of struggles each of these people had to go through in order to become the successful organization that they are today.

Not great. Timeline continuity is shot when you have so many perspectives. Would have been much better if H3CZ have the history of OpTic and then let the rest of the org add there sections in as an epilogue or something.
