No Explanations for answers

By Long Islander

The one thing that I find very frustrating is that the book does not explain how it came to the correct answer. If you got something wrong you may not be able to figure out why. It just gives the answers to the questions without explaining how it got the answers.

So glad I got this book to review

By Kate Burke

So glad I got this book to review. If I didn't get it I am not sure I would have done as well as I did on the test. I was the 2nd highest score!!! GO ME!!!
