# **ROUGH RIDE (RIDING WITH HONOR) (VOLUME 1) BY REBECCA M AVERY PDF**

Widow Lilly Warner is running from her past, leaving a life of privilege and money behind. Life lessons have taught her not to trust her own judgment and running smack into a sexy blue collar bad boy like Bobby Jackson is just further proof. When her past catches up to her will the dark and intimidating playboy prove to be more than hard to handle? Bobby Jackson is struggling to keep his motorcycle repair shop afloat with the help of a few friends. A notorious ruffian in his small Florida town he couldn't be further from high society. When out of his league Lilly Warner lands in his shop he finds himself not only outclassed but outmanned. Can he outlive his past indiscretions and hang on for the ride?

Pretty Good...

By Lilah Brown

I liked this book. The only reason I gave it four stars instead of five was due to its length--it is pretty short! However, a good read well worth the money. I will be looking for the sequels.

Just to note, another reviewer said this book reminds her of Kristen Ashley. I have to disagree. I love Kristen Ashley but this book is very different. The main character, while strong, is nowhere near as Alpha as Ashley's heroes. Still, I enjoyed this book! It is different but a satisfying read.

Awesome Debut!!!!

By Sheryl Nash aka ljolliapricot

OH... WOW...

Rarely have i... in fact NEVER have i compared another author to my favorite author of all time; Kristen Ashley, but today is a first for me... today is the day that i'm going to go out on a limb and possible incur some derision for this and i'm going to say that Ms Avery's debut effort; Rough Ride is quite possibly in the same category as Ms Ashley's books for me!!!! (And those of you that know me, know that, that is a HUGE COMPLIMENT coming from me!)

Rough Ride had everything!!! A tattooed, bad boy biker who likes to talk dirty yet has a really sweet heart,

an uptight (at first) heroine who loosens up and turns out to be one gutsy woman and a whole cast of secondary characters of whom i am TOTALLY excited about, seeing as this book is the first in the series; i'm assuming that the other 3 books to come - Slow Ride, Wild Ride and Long Ride, will probably be about Chuck, Tommy and Dickie!!!! \*SQUEAL\* I haven't been this excited for a series in a LONG TIME!!!!

So, well done Ms Avery!!! A HUGE 5 stars for your debut and like i said, i CANNOT WAIT to read the rest of the series!!!! BRING IT ON, I SAY :)

Meh...

By Amazon Customer

This is my first review of a book and I have read hundreds in the last few months so this should tell you something. I bought this book based on a previous reviewer who compared it to one of Kristen Ashley's novels. I have read all of KA novels and there is no comparison. This was awful!

I never got lost in the story, the writing and dialogue are very juvenile and did not flow. It was hard to fall in love with the couple esp since I couldn't even get a picture of them in my head. The story line was worse. I am not a fan of creating fake drama (usually a "misunderstanding" that could easily be explained and dealt with over a simple conversation) and this book was all about fake and unbelievable drama! Who doesn't tell their sister that they will be assisting in a Federal Investigation? We are supposed to believe the heroine has an MBA? She is sooo naive that it is painful, and sometimes the naivety translates into sheer stupidity. The secondary characters are forced. It feels like the author read a few romance novels, watched a few episodes of Law and Order and Sons of Anarchy, and decided to write a book. It is totally unbelievable, I skimmed the whole second half of the book just to get to the cheesy HEA. Please don't waste your time. If you want a biker book, read Undeniable. Way more real, raw, and much better writing. Also, Kristen Ashley's Motorcycle Man is fantastic, it has more romance than Undeniable and is less raw.
