It is really different with the typical way by going to guide shop around your city.

TAMING THE ENFORCER'S FLIRT (A PARANORMAL'S LOVE BOOK 4) BY CHARLIE RICHARDS PDF

Cornelius Roister is a flirt, has been since coming out. He lives loud, proud, and for the moment. What only his best friend, Gustav Gus Hermance, knows is that it's a defense mechanism, an act, used to keep people from getting too close. People that are close can hurt you, and he's had enough pain to last him a lifetime.

When Cornelius visits Gus at his new home, he is ecstatic to discover his mate in Einan, a gargoyle enforcer. Until him and large-and-in-charge Einan have their first personality clash...and then their second. They just can't seem to carry on a conversation without disagreeing or arguing. Is Cornelius's mating doomed before it even gets started? Or can Cornelius and Einan find some common ground?

A Rhino and a Gargoyle Find Their Mates

By Sophia Rose

It took me a bit to remember Cornelius a secondary character in Gus and Tible's story, but it was fun to see a second rhino/gargoyle match up when he encounters Einan when he comes to visit his friends.

Cornelius has a lot of baggage from his past that hadn't come out in previous encounters with him. At first, I didn't like how he seemed to jump to conclusions and putting the worst representation on things Einan did and said, but then after getting his story I only felt sorry for him and was glad that he'd found Einan.

Einan is a domineering sort and can be a bit gruff so it was good that he'd been paired with such a gentle fun-loving mate. They get hot and heavy pretty quick, but then their relationship starts to develop too.

I enjoyed the big confrontation with Cornelius' ex. What. A. Jerk! I was so glad to see Cornelius get a bit of his own back. And that bit of surprise at the end for them after they witness the hatching of Gus and Tible's son (too cute), was just a bit of adorable extra.

Love this series as I do many of her other books. A Paranormal's Love series is an off-shoot and runs parallel line of stories to the older Wolves of Stone Ridge and Kontra's Menagerie stories. I do recommend reading them all as they publish to get the best experience from the books.

Great follow-up

By Nalla Jodi

Really enjoyed this title. I was kinda surprised by the leads thought they were perfect for each other and was glad Ms Richards kept us up to date on previous characters, Gus and Tible, and their baby (cute). Definitely some hot scenes and a bit of action. Loved the character Vane hoping to see him with his own book. Another tortured soul... Nice little surprise at the end also, thought that was sweet. All in all really good.

One of my favorites!

By HisBabes

Cornelius FINALLY gets his love. I enjoy reading all the different series Charlie Richards creates and how all the characters interconnect. Cornelius first arrives in 'Gustav's Gargoyle Adventure, Wolves of Stone Ridge #14'. He is a good friend of Gus', then Tible and even Bobby Truman who eventually mates with Maelgwn.

In this installment Cornelius comes to the Gargoyle Clutch just outside of Durango to be there when Gus & Tibles egg hatches. There he meets Einen, the Head Enforcer for the clutch and Cornelius' mate. Trouble of course ensues.

There are instances of light BDSM here and discussions of past trauma, rape and abuse but it is dealt with nicely. Well, as nicely as rape, abuse and trauma can be. Cornelius will always have psychological scars but he is able to confront and stop his abuser with support from his mate and friends.

What I enjoy so much about this authors work is the characters seem so real. None are perfect, make mistakes, have scars (both real & mental) or problems that they bring to the mate bond. While everything is all wrapped up nicely with an HEA at the end you end the book feeling like you've made new friends.
