They're Back!

By Bradley Cavanaugh

This book was amazing. If I had any problems, it'd be it was a little short. But the story is great, and I love how it switches perspective with almost every chapter. Pitt is a master writer, and when I'm done with this review, I'm reading the 3rd book. And for that we thank you.

Another great read

By IndieRokker_

I really love this superhero book series. I believe this book was equally as good as the first book, if not even more so! I honestly can't even decide which one I like more.
