THE DRAGLEN BROTHERS - GEMI (BK 4) BY SOLEASE M BARNER PDF

Gemi Draglen has been searching for the woman that is destined to become his Wella for hundreds of years. One eventful night while visiting the city of New Orleans, he unexpectedly sees the woman he wants to be his forever. Unfortunately, he has two very serious problems. First, the woman to become his Wella is a witch, an age old enemy to all dragons. Second and most importantly, she has no idea who Gemi truly is and he must convince her they belong together, forever.

Shalisi Narmon is no ordinary young lady. Shalisi is a witch from generations of witches and has known since birth that she is to have the most important role of all her sister witches. She has always accepted her destiny of becoming the Passer. At least that's what she has always believed until Gemi Draglen suddenly enters her life. She has never experienced love and could never love a dragon, an enemy to witches. It seems Gemi is not so easily deterred and is determined to win her affection and show her the joy that true love can give. Will Shalisi choose her sisters or the love of her life?

MAGIC FOR THE DRAGLEN DRAGON !!!

By jlswainsboro/Judy Lewis

Wowza! I absolutely love it! Gemi is the fourth book in The Draglen Brothers Series by Solease M. Barner and it totally rocks! Solease has dazzled us once again with her amazing skill, unique style and astounding imagination. The story is exciting, thrilling imaginative, original, well developed, riveting, action packed, romantic, arousing and sensual. The dialogue is smart, well written and flows well. The characters are fascinating, captivating, intriguing, engaging, endearing, sexy as sin and at times, down right hilarious. Solease expertly combines these elements to craft an exhilarating paranormal read full of magic, fantasy, adventure and romance. Prince Gemi has searched for hundreds of years for his mate with no success - until now. While in New Orleans, he is quite surprised when he unexpectedly senses his Wella, the lovely Shalisi Narmon. She is beautiful, sexy and everything he has ever dreamed except for one teensy, tiny problem - she's a witch! What? And not just any witch, a witch from generations of witches and is to become the Passer, the most powerful of all witches. Huh? Everyone knows that witches and dragons are mortal enemies. Oh my! Will Gemi be able to convince Shalisi and his family they are destined to be together or will they both be destroyed by her coven? Oh my glory! Sparks fly! Attraction builds! Desires burn! Passion Ignites! Handsome sexy dragon-check! Beautiful sassy witch-check! Danger, drama, suspense and evil

witches-check! Sweet romance, a generous helping of angst and a dash of steamy sex-you betcha! Although this is the fourth book in the series, it can be read as a stand alone novel. However, I highly recommend reading all four books to enrich the reading experience. Fantastic entertainment and an awesome read!

WOW!!!!!! just WOW!!!!!!!

By Donna Dunlap

I received an ARC copy in exchange for an honest review

After waiting rather impatiently for this book to come out so I could continue my love affair with the brothers I was absolutely beyond happiness that I could finally get to find out who and what Gemi was really about.

Once again Solease M. Barner has managed to enthrall us with another yet more complicated Draglen Brother.

Gemi is so much more, he has two sides to himself that we finally get to see and feel. This is a passionate roller coaster of a book and I went through just about every emotion known to man during my reading experience.

I felt sorry for Gemi at times but then I would almost cry for his Wella Shalisi she is so conflicted with what is right for her, her coven and her heart. She has been lied to for most of her life by those that she trusts (I'm not going to give too much away as this is not a spoiler), but in the end does love prevail or do the witches win?

You can feel Gemis pain as he tries to convince his wella of his love and its so frustrating as I wanted to reach into the book and shake Shalisi at times.

Queen Nala made me laugh in this book, she actually travels to earth to rescue her boy and although it's a successful trip Gemi has a lot of healing to do (after keeping one side of you hidden for so long it is kind of hard to make that side sleep again). We get to see a softer yet oh so fierce side of the queen in this book and her reaction to Gemis dilemma totally shocked me.

Gemi is so different from his brothers I feel that although all the brothers love with all their heart Gemi feels things on a much deeper level (that is just my opinion though), he has truly found his match in Shalisi and I can only image how much fun these two will get up to.

This book is told in the third person so we get both sides to the story, both sides of the pain both sides of the passion and twice as much hotness, and let me tell you IT IS ONE HOT READ...

Please do buy this complete series you will honestly not regret it for a moment, the only thing I would recommend is taking a glass of water with you when you read these books as I can guarantee you will get a little warm.

Thank you so much for another great read Solease.

I totally fell in love with Gemi and Shalisi

By Patti B.

Note: I received a ARC copy in exchange for an honest review.

Gemi is the 4th book of the Draglen Brothers series. I totally fell in love with Gemi and Shalisi. My heart hurt for Gemi during most of this book. He is so sweet and keeps his dragon under wraps so he doesn't scare Shalisi. They want each other so badly but she is a witch and as such isn't allowed in Gemi's home. She has always been told that dragons are not to be trusted and is the next in line to become a very powerful witch for her coven. Little by little the walls come down and when they finally come together the sparks fly. Shalisi is afraid that they will be caught and killed so she sends Gemi away. The week apart is hard on them both and

Gemi finally claims Shalisi when they come together again. He is captured and tortured by the witches and Shalisi is kept asleep and away from Gemi.

All hell is about to break through because Queen Nala, Gemi's mother, has decided to go to Earth to rescue her son. She has never gone to Earth before and takes a few of her other children with her. The rescue is a success but Gemi needs to heal and they keep Shalisi away from him. She finally gets to see him but he is still in dragon form. He'd kept his dragon inside for so long that he isn't ready to give up his form yet. He's in a snit but finally relents when Shalisi comes to be with him and isn't afraid.

Please, please read this series if you like paranormal romance/shifters. You won't regret it. Each book is fantastic and sweeps you away into a whole new world and a new language to explore. Draken is my favorite but Showken and Layern are just as good. Each brother is a alpha looking for his mate. I'm ready for Warton's book and during that I'd love to read about Gemi and Shalisi's wedding and the new Young that is on the way for Draken and Cess. Oh yes, there are more brothers and a sister to read about when their books come out. I for one and looking forward to the continuation of this wonderful series.

Keep writing Ms. Solease M. Barner, keep writing.
