When 9 year old Linda is sent to stay with her Aunt Pearl for a summer, she finds that Aunt Pearl does not live just anywhere, but that she actually owns and lives in a grand old sanitarium high on the hills outside of Los Angeles. It was 1949 and so far in Linda's life, things had been pretty normal for a kid growing up in Manhattan Beach, hanging out with two younger brothers and a cousin, always looking for fun. But this summer, Linda would be on her own.

Aunt Pearl is all business and someone not to be messed with. She has travelled the world and returned with a story rich in adventure. But Aunt Pearl is also hiding something and Linda may just be the one to find it.

Mrs. Hawk is a resident at Parkridge who carries a lifelong mystery of her own that Linda soon begins to discover, a mystery that connects the dots in many lives.

Luckily for Linda, she is befriended by another resident, Elsie, who tells her, "I have been waiting my whole life to meet you.." and helps Linda navigate this adventure that changes the lives of many forever.

Captivating!

By Annette

I had the privilege of being one of the first to read, The Secret Collector. As a busy person I tend to leave my fiction reading for bedtime. I haven't had a book that called me to hurry to bed to read for quite sometime but, Linda Bray's book was such a book. The story line captivated my attention and pulled me right into the story as if I were also one of the characters in this tale.

I highly recommend this book with one caution: you will miss the characters when you are finished with the book and waiting for the next in the Parkridge Series. Personally, I can't wait to read the next in the series!

Fun Read

By Marlene

In the beginning I had no idea where this book was going to take me, I was surprised and happy to find myself back with little Linda through all her adventures. I had forgotten how pure and fresh a young mind can be. I think the author went there with clarity and freshness of a young girl. I do want to follow Linda through puberty, adulthood and beyond. Good clean fun read.

A review of *The Secret Collector*

By Dianne S Stewart

I think a lot of people can relate to the child in the main character. It's well-written in sentence structure, colorful dialogue, and not rambling... Also the plot leads the reader to wonder what's going to happen next. Good life lessons in relationships and human nature. Refreshing.
