Superb!!!

By Evandro L. S. Pires

Excellent content! About the man who inspired BJJ. Very pleasant and fun to read also.

I would only improve the edition, for instance, sometimes it has missing lines and other small problems.

Good book

By Rodrigo

As an electronic book, it should be improved to fit perfectly in the screen. But the content is very good.

A fascinating story about a fantastic judoka expert

By Amazon Customer

A fascinating story about a fantastic judoka expert. The book seems to be well researched, but unfortunately the writing is poor and the fictional dialogue is inappropriate for a non-fictional book. The kindle version is disorganized with segments getting mixed, making linear reading difficult. I could not find another kindle book on Mitsuyo Maeda, making this the only one available. Pity. This is an important story of a fighter who made a huge contribution to the origin of Brazilian JiuJitsu and probably to MMA as we know it today.
