WOW!!!

By Nocturnal Queen

This is the amazing story of how Brother Teklemariam came to know God and of the mighty revival that is sweeping Ethiopia even as I type this. The stories may seem unbelievable, but they are true nonetheless. Jesus is the same yesterday, today and forever.

If you enjoy Unseen Hands (only a corpse couldn't) I highly recommend you read the sequel Then Came the Glory. Just as awesome and power-packed and inspirational as Unseen Hands.

Awesome!! Powerful !! Extremely, deeply, moving !!

By A Customer

This book was strongly recommended by a friend a few years ago. Since that time I have read it many times, and I have given it as a gift often. The story reads like the book of Acts in its miracles, signs, and wonders. I will never forget the first time I read it, lying in bed sick, I shook as the power of God filled the room where I was. The story has in many ways changed my life as I realized that Jesus is still very much the same today as he was in the Bible, also the "strong", "deep", "fervent", prayer life of Bro. and Sis. Tekle challenged me to go far beyond where I was in my walk with the Lord. Only one other book has done as much for me as "Unseen Hands" that of course was the Word of God. I can't recommend this book enough!

Earthshattering

By DAT

This book will galvanize the lukewarm and pampered Christian with it's amazing stories of revival Ethiopian-style. These people know what persecution is like and what it's like to walk in power with the Almighty. Just thinking about Brother Tekle and Erkenesh I get a lump in my throat!
