It's interesting to catch up on the latest gossip on people. Who's dating who, where's the best spot to be on a Friday night, etc. But, there is a bad side to all of this controversy. Let's take a trip on the wild side, or maybe in a book called "What Holly Heard" by R.L. Stine. Let's face it, Holly is a gossip! She knows all of the latest news on people, and is quick to tell everyone else. Her friends try to ignore her non-sense, but how can they when all of her games end up affecting the way she feels about Noah, the coolest guy in school, when

she already has a boyfriend? Whatever it is, Holly wants to find out. Is all of the stuff that Holly hears going to take a turn and lead on a fantasy ride, or maybe more of a death ride? You decide. Read "What Holly Heard" by R.L. Stine
